ALMA MATER

Milton Yeats

Florida our Alma Mater
Thy glorious name we praise
All thy loyal sons and daughters
A joyous song shall raise
Where palm and pine are blowing
Where southern seas are flowing
Shine forth thy noble gothic walls
Thy lovely vine clad halls
Neath the orange and blue victorious
Our love shall never fail
There's no other name so glorious
all hail Florida hail.

The blueberry bushes decorating the platform were provided by the UF Institute of Food and Agricultural Sciences Blueberry Breeding Program and the ornamental plants by the Florida Nursery, Growers and Landscape Association.
